RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Notice of Non-Compliant Amendment of June 1, 2007, applicants submit herewith a compliant amendment. Since the non-compliant amendment was filed as a submission for a request for continued examination (RCE), applicants were given one month to reply to the Notice (MPEP §714, II, F (C)).

Since box 4 of the Notice was checked (Status identifier for claims 10, 25 & 34 not proper), only correction to the section "Listing of Claims" is required. However, for the Examiner's convenience, applicants also resubmit herewith the "Remarks" section and the attachment submitted therewith. The Remarks section, corresponds, apart from the date (now: June 4, 2007), to the Remarks section submitted on May 14, 2007.

**Amendments to the Claims** are reflected in the listing of claims, which begins on page 2 of this paper.

**Remarks** begin on page 10 of this paper.
